Table of Contents

Introduction

What does it do?

- The Organiser Template is a template for the Organiser.

- The Organiser Template is easy to install. And if you are using the Organiser Installer (org_installer) it will installed automatically.

- The Organiser Template is useful,
    - if you will start with the Organiser, but you don't have a designed TYPO3 installation.
    - if you want a full designed website very quick, but have no time for building an own template.

- You can use the Organiser Template for any website and without the extension Organiser.

- If you like, you can change everything
    - HTML
    - CSS
    - TypoScript

What does it not do?

- If you like a very different layout than the Organiser Template, it isn't useful to install it.

Audience

- TYPO3 agencies
- TYPO3 integrators
- TYPO3 developers

Installation

Installation by the Organiser Installer

The extension Organiser Installer (org_installer) installs the template automatically. If you are interested in the installer please visit:

- http://typo3.org/extensions/repository/view/org_installer/

Further Information
