Running PIXELANT one of Scandinavias biggest TYPO3 agency. Been around the TYPO3 community for 13 years and a true evangelist for the platform.

Since 2010 I have been working for organizing the T3Camp Italia events and in the last 2 years for the TYPO3 Day events at Internet Festival of Pisa. Right now I'm again working to organize the "T3Camp Italia 2018" that will be held in September and will also host a "T3 Contribution Day" with the aim of spread TYPO3 in Italy and recruit new contributors for TYPO3. Nonetheless I'd like to continue and increase my effort in and for the TYPO3 community. I think that having people from different countries in the official positions of the TYPO3 Association could help spreading TYPO3 in other countries. That's why I decided to re run for a position in the EAB.

The Business Control Committee is an important part in the structure of the TYPO3 Association.				
I have been part and active supporter of the TYPO3 community since 2002 and a member of the BCC since it was established in 2012.
